

Survey results at March 31 meeting

NORTH CANAAN — An informal discussion of student life survey data will be held Wednesday, March 31, at 6 p.m. at North Canaan Elementary School.

“What’s Up With Our Kids? Part Two . . . Conversations in the Community,” will be led by Cynthia Bianchi of the Housatonic Youth Service Bureau and Leila Wood, school counselor.

This follows the December 2009 forum at the high school with a discussion of developmental assets, the results of a survey of Region One youth and how the community at large can share in increasing assets in all youth.

Funding for the project and

for this presentation has been provided by the Foundation for Community Health in Sharon.

Pizza and beverages will be served and families are asked to bring a dessert or salad to share. Child care will also be provided.

For more information about this free community event and to RSVP, call the school at 860-824-5149 or the Youth Service Bureau at 860-824-4720. Participants must RSVP for their families in order to have pizza or to take advantage of child care.
